## **DIGITAL DISCONNECTION DURING A PANDEMIC**

REFLECTIONS ON DIVERSIFYING QUALITATIVE METHODOLOGY  
IN A RESEARCH PROJECT (ON POLISH STUDENTS)

**Katarzyna Kopecka-Piech**

Ph.D. (Dr. sc. soc. habil),  
Maria Skłodowska-Curie University in Lublin, Poland

25 NOVEMBER, ONLINE  
18.00-19.20 (Moscow)

### **DIGITAL DISCONNECTION DURING A PANDEMIC REFLECTIONS ON DIVERSIFYING QUALITATIVE METHODOLOGY IN A RESEARCH PROJECT (ON POLISH STUDENTS)**

**Speaker**

[Katarzyna Kopecka-Piech](#), Ph.D.(Dr. sc. soc. habil), Maria Skłodowska-Curie University in Lublin

**Moderator**

[Iliya Kiriya](#), Ph.D., Professor, Media School, Faculty of Communications, Media, and Design, HSE University

*The aim of the presentation will be, on the one hand, to present partial results of research on digital disconnection of young media users during the pandemic and, on the other hand, to look at this research area from a methodological perspective. Few qualitative research methods applied in the research during the last 18 months will be presented, including less popular ones, in order to determine their usefulness for exploring voluntary non-usage, not only during the lockdown.*

**Working language:** English (with optional Russian translation)

**Platform:** ZOOM
